TEN-SECOND PITCH:

Better Angels is a tabletop roleplaying game about supervillains and the demons that give them amazing powers. As a player, you alternate between **both** roles—a scheming supervillain, **and** the demon whispering over another player's shoulder.

Target Market

- Fans of games that focus on **story and character** more than detailed combat rules.
- Gamers who would love a **new twist on superhero gaming**.
- Fans of existing **One Roll Engine** games like *Godlike*, *Wild Talents*, *A Dirty World*, and *Monsters and Other Childish Things*.
- Fans of other works by Greg Stolze and the Arc Dream Publishing team such as *Unknown Armies* and *Delta Green*.

Up-Sells & Cross-Sells

- *Wild Talents* (CB75400)
- *Progenitor* (CB75412)
- *The Kerberos Club* (CB75401)
- *Grim War* (CB75403)
- *Monsters and Other Childish Things* (APU3000)
- *Godlike* (APU1009)
- *A Dirty World* (CB75407)

Selling Points for Players

- **Perfect for pick-up games** with no advance planning.
- **Lightweight rules** with deep characterization.
- **Collaborative character creation** instantly creates the core conflicts that drive adventures.
- **Encourages long-term campaigns** that explore the ramifications of character choices and actions.

Selling Points for Retailers

- **Critically acclaimed** author (Greg Stolze) and design team (Arc Dream Publishing), frequently nominated for major awards.
- **Strong online support**—scenarios, character creation app, characters, short fiction, and an active gamer base.
- **Retailers can provide a PDF of the complete rulebook to customers FREE** via bitsandmortar.com.

A demon gave you superpowers and it demands **EEEEVIL!**

In **Better Angels**, you play a supervillain trying to control the demon that gives you amazing powers—and you play the demon for the player *next* to you, pushing that player's supervillain to greater and greater acts of supervillainy.

Do too much evil and the demon might take control. Too little, and—well, it's a demon. It will find ways to punish you.

Better Angels focuses directly on characters' moral stances. Is your villain Insightful or Devious? Cunning or Patient? Is your Courage as great as your Cruelty? Those characteristics drive your superpowers. They shape your relationship with your demon. And they are shaped by it in every scene.

Prepare yourself. There are diabolical inventions to create. Enemies and rivals to thwart.

AN ENTIRE WORLD TO CONQUER!

All it will cost is your soul.
